## IN-NETWORK

## OUT-OF-NETWORK

Benefits are offered on a calendar year basis. Any amount unused at the end of the year will expire. Information regarding each plan is available at [Humana.com/sb](https://www.humana.com/sb).

In-network dentists have agreed to provide covered services at contracted rates (per the in-network fee schedules, or INFS). If a member visits a participating network dentist, the member cannot be billed for charges that exceed the negotiated fee schedule (but coinsurance payment still applies).

Out-of-network dentists have not agreed to provide services at contracted fees. Benefits received out-of-network are subject to any in-network benefit maximums, limitations and/or exclusions. Members may be billed by the out-of-network provider for any amount greater than the payment made by Humana to the provider. Please see below for provider locator instructions. Network providers agree to bill us directly. If a provider who is not in our network is not willing to bill us directly, you may have to pay upfront and submit a request for reimbursement. The coinsurance level will apply to the average negotiated in-network fee schedule (INFS) in your area. See Chapter 2 Payment Requests Contact Information or visit [Humana.com](https://www.humana.com) for information on requesting reimbursement.

When visiting an out-of-network provider there could be a difference between Humana’s reimbursement and the dentist’s charges. Members are responsible for this difference when visiting an out-of-network provider; this is known as balanced billing.

The Mandatory Supplemental Dental benefits are provided through the Humana Dental Medicare Network. The provider locator can be found at [Humana.com](https://www.humana.com) > **Find a doctor** > **Select the Dentist icon from the menu** > **From the Distance drop down select the preferred distance** > **Enter Zip code** > **From the look up method select All Dental Networks** > **Then select HumanaDental Medicare.**
